Dear Nikoloaos:

On behalf of the SIGGRAPH Student Volunteers Program, we are pleased to invite you to participate in SIGGRAPH 2008, the 35th International Conference on Computer Graphics and Interactive Techniques, which will take place 11-15 August 2008 in Los Angeles, California USA. This conference is sponsored by the Association for Computing Machinery's Special Interest Group on Computer Graphics (ACM SIGGRAPH).

As a Student Volunteer (SV), you will be responsible for assisting conference committee members and conference attendees in a variety of ways. SV assignments and activities consist of anything from checking attendee badges at the doors of various courses, papers and panels, to helping contributors with their installations within the Art Gallery and Emerging Technologies. Each assignment varies by venue, length and amount of involvement, but all play a very important role in running the conference.

The Student Volunteers Program and SIGGRAPH 2008 will be covering the cost of your conference fees. However, we understand that you will be responsible for paying for your travel expenses and meals. You will also be paying for your entire medical expenses should they be needed. The Student Volunteers Program and SIGGRAPH 2008 also understand that after the conference, you will be returning to your country.

You will need to arrive in the Los Angeles area on or before 4 p.m. on 10 August 2008 in time for the mandatory Student Volunteers orientation meeting, and depart no earlier than Friday, 15 August 2008. Check-out will be done on Saturday, 16 August 2008.

You should be able to use this invitation letter at the United States Embassy in your country to initiate and assist in the visa application process so that you may participate in our conference.

If there are any questions, please feel free to contact the Student Volunteers Committee at sv2008@siggraph.org.

We look forward to seeing you in Los Angeles!

Sincerely,

Josh Grow
SIGGRAPH 2008 Student Volunteers Chair
